

## **Building Bridges, Deepening Faith: Interfaith Leadership on Christian Campuses**

**CCCU + IFYC CAMPUS GRANTS  
Academic Year 2020-2021**

### **Application Questions**

#### **Overview**

Before starting your application, please read the full [Request for Proposals](#) which frames the purpose and requirements of the grant. You can review the questions below to prepare for your grant submission; the online application will be available on February 12, 2020. The deadline to submit all application materials is April 10, 2020. Please contact Megan Johnson [megan@ifyc.org](mailto:megan@ifyc.org) with any questions.

#### **Campus Interfaith Inventory**

Completing the [Campus Interfaith Inventory \(CII\)](#) is required for all applicants in order to reflect on where your campus has existing assets and where there are areas for growth. Please make sure that you or a representative of your campus has completed the CII before starting the application. If you need support to complete the CII for your campus, please contact Rob LeLaurin at [robert@ifyc.org](mailto:robert@ifyc.org).

- Institution
- First Name
- Last Name
- Title
- Email
- Phone Number

#### **Questions**

- 1.) Please summarize your proposed grant project in 1-2 sentences.
- 2.) Please describe in greater detail how you would use the \$10,000 grant to advance religious literacy and bridge-building across diverse religious communities in academic year 2020-21. In your response, make sure to include:

- The challenges or opportunities you see to advancing civic religious pluralism and interfaith leadership on your campus.
  - Description of your project and how it addresses these challenges/opportunities.
  - Proposed outcomes: how will your campus or students be different as a result of this project?
  - Timeline of key milestones and events.
- 3.) Successful applicants will approach their project through both a broad and deep lens: the project will influence a significant number of the campus community (broad), and the project will train a cohort of leaders in a deep and meaningful way (deep). Please share how you will incorporate both breadth and depth into your project plans.
- 4.) Please attach a list of your full project team, including each member's name, email address, and title. Please indicate at least two project leads on the list.
- 5.) Please explain how the project leads will adjust existing priorities in order to ensure sufficient time to implement the project successfully. What role will the other project team members play?
- 6.) Please attach an itemized budget and budget narrative with concrete costs (e.g. convening your planning team, administrative expenses, professional or student stipends, food or media costs, speaker honoraria, etc.). In your narrative, please provide a brief explanation/justification for each budget line item. You can refer to the RFP for guidelines on the types of costs permitted.
- 7.) Please share how you plan to evaluate your project's impact. For ideas, feel free to reference our [Assessment Toolkit](#). Make sure to:
- Share which evaluation tools (quantitative and/or qualitative) you will use to measure progress on the project's intended outcomes.
  - Share how you plan to use the information you learn from evaluating this project.
- 8.) If you receive an innovation grant, please tell us who the Memorandum of Agreement (MOA) and check should be sent to:
- MOA: Name, title, email address
  - Check: Name, title, email address, mailing address
